DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not specifically disclose the combination of limitations as disclosed in claim 1 and applicant's figure 1: a vehicle periphery monitoring apparatus for picking up an image of the periphery of a vehicle, comprising: a case configured to be mounted on the vehicle and comprises a front case member having a transparent window and a rear case member attached to the front case member; an image pickup device provided within the case and configured to pick up an image of the periphery of the vehicle and to provide the image picked up into a cabin of the vehicle; and a cover member configured to cover the front case member except for the transparent window and to cover a periphery of a mating surface between the front case member and the rear case member.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
